

FlexDesk

The newest, most flexible workspace on the market

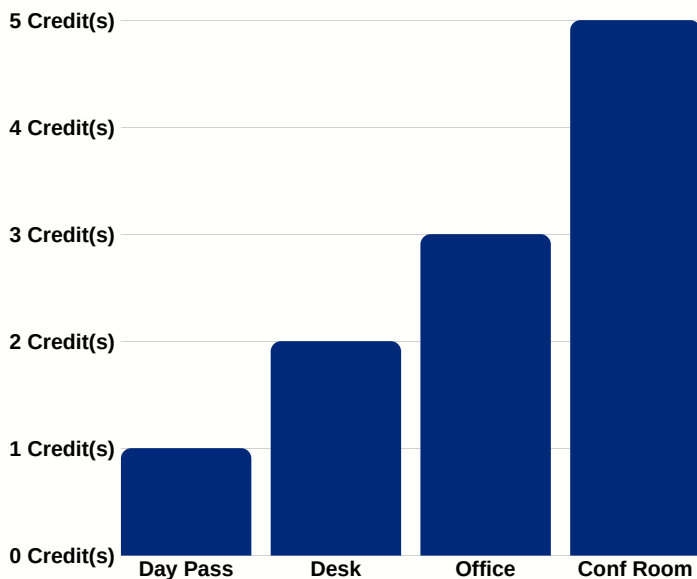

DO YOU OCCASIONALLY NEED AN OFFICE OR CONFERENCE ROOM BUT DON'T WANT TO PAY FOR A MONTHLY LEASE?

FlexDesk solves this dilemma by allowing you to only pay for what you use.

If you're not in your office, you don't pay for it. What's more, you can use your credits for a desk, an office, a day pass, or a conference room.

The more credits you buy the less you pay... and the credits never expire.
