Safe Spece

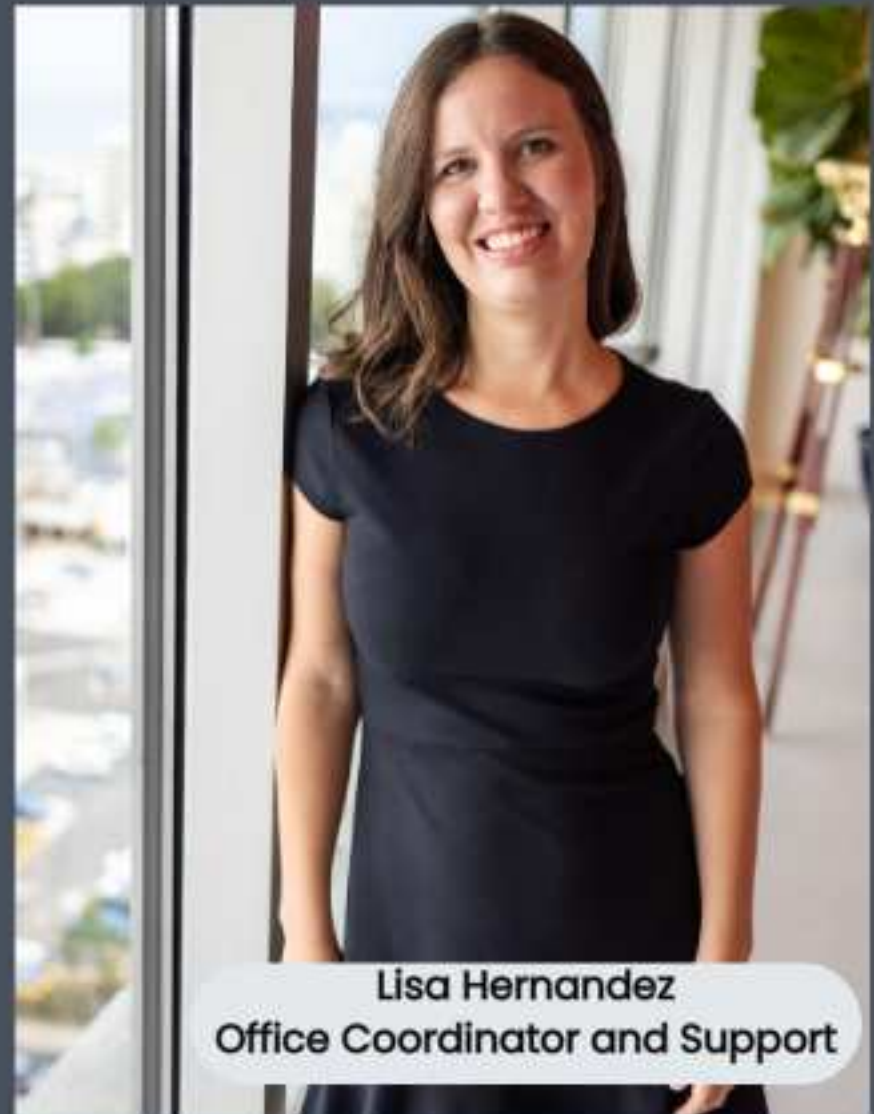

When selecting the ideal site for our next establishment, we strategically opted for a central location that serves Dorado, Guaynabo, San Juan, and the neighboring cities. Interestingly, our choice led us to the former premises of Pen Fed bank at the San Patricio location.

Following the bank's departure, we made the deliberate decision to preserve the bank vault, transforming it into one of our two designated meeting rooms at this venue.

The vault's original door remains intact, while the room is enveloped in steel, rendering it safe and quiet. Perfect for meetings with a small group or a private place for a zoom call.

This distinctive room adds a touch of uniqueness to our offices, seamlessly integrating advanced presentation technology as we have in our other five meeting rooms.

Lisa Hernandez
Office Coordinator and Support

Having joined the Spece Team 4.5 years ago, Lisa has played an integral role in both the day-to-day operations and the behind-the-scenes workings of our two locations. Recently, you might have spotted her in Santurce, skillfully juggling her responsibilities as a hands-on mother to two kids, including her 10-month-old, while also stepping in at Spece whenever the need arises.

Lisa, a proud native of Puerto Rico, finds delight in savoring the island's tasty coffee, basking on its sandy shores, and indulging in ice cream, all while cherishing the company of her family.

Naturally, she treasures her sleep and tends to rise later on weekends—calling her before noon is probably not a good idea

Beyond her dedication to work and family, Lisa's wanderlust shines through. She and her loved ones embark on adventures, Madrid, Spain, and the vibrant energy of New York City standing out as her top picks. Yet, when seeking proximity, Vieques holds a special place in her heart as a cherished destination.

Referral Program

Are you aware of someone in your social circle, whether it's a friend, family member, or colleague, who is currently seeking an excellent work environment? At Spece, we value the power of referrals. If any of our members, whether they work on-site or have a virtual address, refers a new member to join our community and that member signs a three-month agreement, you will be rewarded with a complimentary month free of charge! We believe in acknowledging our members' contributions and building a vibrant community together. Join us in spreading the word and enjoy the benefits of our membership referral program.
