Improvements in San Patricio

This week marked the completion of our remodeling project for both bathrooms in San Patricio. Among the noteworthy enhancements are the installation of an engineered marble tile floor, a custom ceiling, contemporary light fixtures, upgraded faucets and sinks, new mirrors and cabinetry, and improved exhaust fans. Moreover, we've introduced inviting seating to our coworking area, a space that is rapidly evolving into a cozy hub for our members and guests to work, dine, and socialize. Although this area is not yet complete, the imminent arrival of a comfortable environment is eagerly anticipated. Looking ahead, our focus shifts to the kitchen where our next endeavor involves the addition of a stylish backsplash and custom shelving to elevate the aesthetic appeal of the entire area.

We extend our gratitude to all our Guaynabo members and guests for their patience during the recent renovations.

thank you
