Whats new at Speece?

Speece has recently partnered with Bounce, a luggage storage application that provides travelers and locals with a secure and convenient place to store their items. Our lobby office now offers a safe storage solution for luggage, purses, suitcases, backpacks, and more, all kept behind lock and key until you're ready for pickup. The fee is minimal, with the safety of your items being our top priority.

To learn more, visit www.usebounce.com and select your location and language to get started. On the app, Speece is listed as the "Ave. Juan P. De Leon Storage Spot." Signing up for this service is quick and easy.

If you or someone you know could benefit from this service, please spread the word that Speece's location on the Bounce app is safe, secure, and convenient.

Summer has officially arrived, bringing long hot days and muggy nights.

What better way to cool off than spending a relaxing day at the beach?

Here is a list of some of our favorites!

****Piñones****

Just a 20-minute drive from the airport, this beach is lined with kiosks offering delicious Puerto Rican food and drinks.

****Crash Boat Beach****

Located in Isabela, PR, this beach is famous for its clear waters and a pier where swimmers can enjoy jumping off.

****La Esperanza****

For those seeking adventure, this beach is reached after a short 10-15 minute hike and offers a beautiful, calm shoreline surrounded by rocks.

****Mar Chiquita****

Situated in Manatí, this beach may not be ideal for swimming, but the sound of crashing waves and the breathtaking views from the top of the climbing rocks make it well worth the visit.

GO TEAM!

Recently, the Spece team held a team-building event at Viking Arena in San Juan. It was a fantastic opportunity to conduct our team meeting in a fresh location while also celebrating Natalia's birthday and Nicole's first anniversary with Spece.

At Spece, we understand that the power of teamwork is crucial for maintaining a thriving business. We hold our members and guests in the highest regard, and we strive to reflect that through our dedicated teammates who consistently deliver outstanding service.

We remain committed to working together to enhance the experience for everyone who walks through our doors. Whether it's during our monthly team meetings at Spece or engaging activities like axe throwing—where Edgar, of course, emerged victorious—we operate as a cohesive team to ensure your experience at Spece is unparalleled on the island and beyond.

Happy Hour

Thank you for everyone that joined us at our Summer Solstice Happy Hour! We had a such a great turnout and some pretty yummy Aperol Spritz

Be on the lookout for the next Spece Happy Hour on July 18th! .
